Spreading The Word To Our Community

It was **He** who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare **God's** people for works of service, so that the body of **Christ** may be built up until we all reach unity in the faith and in the knowledge of the **Son of God** and become mature, attaining to the whole measure of the fullness of **Christ**. **EPHESIANS 4: 11-13**

Crisis Pregnancy Center

Written by Dixie Swan, RN

When God placed it on my heart to get involved with the Crisis Pregnancy Center, He opened my eyes to the horror of abortion. Abortion not only takes the life of the unborn child, but it changes the mother (and the father) in ways not even realized until years later. God broke my heart for the scared and hurting women who feel that abortion will “solve” her problem, but don’t realize that it adds grief and guilt they carry the rest of her life.

As a Hospice nurse for almost 15 years I saw people fighting for life. Now He placed me where people were considering ending a life before it had even had a chance to live! What could I do to help those in very difficult situations to see how precious that life within them is?

I went through the training required to become a CPC volunteer counselor, and began to give free pregnancy tests and counseling to those who came in. But God showed us that more was needed. He gave us the opportunity to set up a Medical Clinic where we could offer free ultrasounds to those who were in those tough situations and not sure that they would carry the baby. As a nurse, I had worked only briefly in Maternity, and knew nothing about ultra-sonography. God arranged training for me, and provided the funds for the purchase of a machine. He is so good!

I could tell you story after story of clients who, once they see the baby on the ultrasound, they chose to carry. One of my first patients was a 16 year old who was so depressed and quiet that her parents were concerned that she would not only abort the baby, but may be suicidal. The instant she saw the baby, she laughed and cried at the same time, saying”” My baby, my baby”! Her mom told me afterwards that her daughter had talked all the way home, even thinking about names for the baby. She said that I had saved her daughter and her grandchild! Well, I know that **God did it all**, but it really was a blessing to be a part of it. Since then they have given their testimony publicly, and Eileen (the patient) even wrote an essay in college about it. God is sooo wonderful!

If you would like to be a part of a frontline and life-impacting ministry, God will equip you. All you need to do is make yourself available. Contact Pastor Larry or Dixie for more information about the CPC or other ministries where God can use you.
