Spreading The Word To Our Community

It was **He** who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to pre-

pare **God's** people for works of service, so that the body of **Christ** may be built up until we all reach unity in the faith and in the knowledge of the **Son of God** and become mature, attaining to the whole measure of the fullness of **Christ**.

On A Mission

My name is Amy Drake and I'm a senior at North Central High School, Farmersburg, IN. I plan on attending college to pursue a degree in Sign Language and Interpretation.

I attended church camp when I was 11 years old and they taught us a song in sign language. I noticed that I could do sign with ease. I could even help the teacher when he forgot the signs for the song that we were practicing. I soon found that I could learn other songs and could sign them well.

I showed my parents what I could do and they saw that it was very easy for me. So we started checking out sign language tutorials from the library and I could also learn these with ease after just watching them once.

While attending a church in Linton, I began to sign songs that I knew during worship. The pastor soon took notice. When the songs that I knew were being sung by the worship team I was invited to join the worship team and worship in sign language.

My parents contacted Everetta Heistand a Sign Language Instructor to begin teaching me sign. I have been working with Everetta now for three years.

Now that I'm a part of Father's Glory Ministries, I sign the songs that I know when the worship team plays them. It has been prophesied that I have a God given gift to sign and interpret. It has also been prophesied that I'm going to travel all over the world working for God and helping deaf people. I really enjoy signing for the Lord and the deaf community.

I have much to learn and I'm looking forward to helping others through the gift of sign language.
