# Spreading The Word To Our Community

**I**t was **He** who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare **God's** people for works of service, so that the body of **Christ** may be built up until we all reach unity in the faith and in the knowledge of the **Son of God** and become mature, attaining to the whole measure of the fullness of **Christ**. **EPHESIANS 4: 11-13**

## Solution Center

*Written by Stacy Basham,  
Freebirds Board Member*

Freebirds Solution Center is a faith-based sober living environment. It was exactly the place for me when I was released from the Vigo County Jail in 2006.

Freebirds has everything a person could need to help them start a new life. Freebirds teaches about responsibility. A new resident is immediately put on a chore list. Usually kitchen duty or chopping wood as an incentive to get an outside job. Rent is to be paid and kept current.

A resident must attend a 7:00 a.m. meeting Monday thru Friday. Also, Monday night at 7:00 p.m. a house meeting is mandatory unless excused by Jack Tanner. Another requirement is that the resident must be enrolled in a drug and alcohol treatment program. Access to Recovery helps a resident with some finances and in receiving added assistance from the community.

Although some residents are court ordered, there is no set amount of time a person must stay in the program. They may stay as long as they need or want to at Freebirds.

Freebirds is an awesome place. It has many ways to help people and our community. I love Freebirds, it was my very first home.
