# Spreading The Word To Our Community

**I**t was **He** who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to pre-

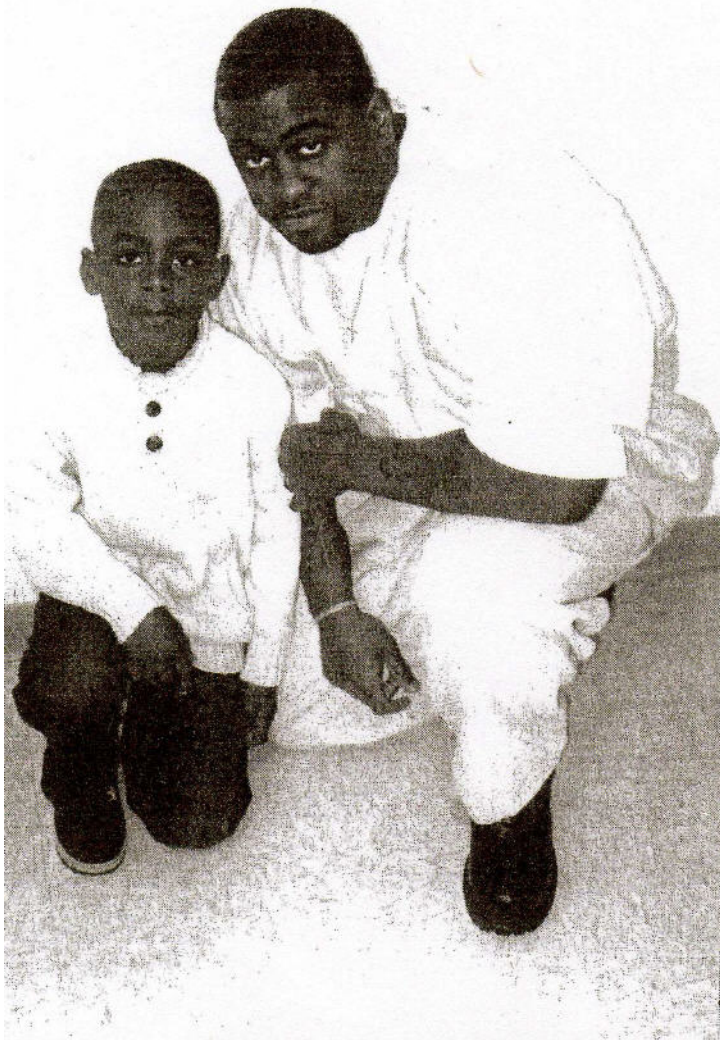

pare **God's** people for works of service, so that the body of **Christ** may be built up until we all reach unity in the faith and in the knowledge of the **Son of God** and become mature, attaining to the whole measure of the fullness of **Christ**.

Inside & Outside Dads

U.S.P. Terre Haute Prison...

David Jeremiah said "Integrity is keeping a commitment even if the circumstances when you made the commitment have changed." In Proverbs 15:32 it reads "He who ignores discipline despises himself, but whoever heeds correction gains understanding..."

Now in my inside & outside dads class I learn about integrity as well as Proverbs 15:32. The class really opened my eyes to the importance of communication. I learn that I can still be the positive role model in my sons Charles Jr. life. I also learn that it's a better way to communication than letters, phone calls, & visits. The best way is through the power of prayer!

My class taught me not to just concentrate on my situation or my point of view, but to open my eyes to the people involved as well. Empathy is the ability to re-create another person's perspective. That helps me to understand my sons mother better as well as gave me the power to change a few of my thoughts to match up with her thoughts. It helped us put away a lot of our differences to work in unison when it comes to raising our son.

I want to close this by thanking not only the teachers of the class, but the whole U.S.P. & Terre Haute (U.S.P.) that made this class available. I also can boldly say that all dads in prison & on the outs should take this class. It's not about us it's about the kids & the next generations to come. Thanks & God Bless...

P.S.

Today is Charles Tanner Jr. 8th B-Day. I wish him a happy & blessed one. I love you son...
